TREMAINS

Monday 7th August - Term 3 - Week 3 - 2017

**WESTSHORE
SCHOOL**

GROWING - TIPU SHARING - TUARI HAERE LEARNING - AKO
TOGETHER - KOTA HITANGA

Dear Parents and Whānau

The weather continues to improve as another beautiful morning kicks off the start of the week – a taste of spring just to tease us all. The improving weather as well as the terrific environment we have has a positive effect on the attitude of our students. Complementing this was the “What’s Up” at 9am for our students where some names were drawing out and small rewards distributed to those children for their positive behaviour.

Y6 group to Napier Intermediate School

Our Y6 students, accompanied by Mrs Robins, left this morning on the bus to Napier Intermediate School. There they get to experience different set organisation compared to a primary school. The students will get to move from teacher to teacher and try their hands in the technology classes too.

Looking after our school

We have been informed that over the past couple of weekends some teenagers have been climbing on the roof of the school. If you are in the area and see someone on the school roof could you please contact the Napier Police – 8310700 immediately. We are concerned that those young people might hurt themselves as well as cause damage to our school.

Mobile Dental Clinic

Over the past two weeks the mobile clinic has been parked up at school and our children have had their teeth checked. Many children (37) require further work which can only happen at the dentist which is situated at Tamatea Intermediate School. If the work does not get done it will only cause greater issues in the future so please check your child’s school bag for the note they were given and see if your child requires further work.

Regards

Martin Madden

Principal
